UPHOLDS THE JOCKEY CLUB

COUNTY ATTORNEY TAKES SIDES WITH RACING MANAGEMENT AT BUTTE.

Disagrees with Attorney for Those Who Are Trying to Bring About Curtailment of Meeting Now Going on in Montana City.

Butte, Mont., August 8.—Former Judge G. M. Bourquin has been retained by those who are endeavoring to shut off further racing here. The interpretation of the law hinges upon a technicality in which the meaning of the word "such" in the statute limiting racing in Montana is the issue. The Butte Jockey Club officials contend that the word "such" means one particular track and that any number of race meetings can be held in the county provided they are held on separate and distinct tracks. Opinions from Judge Bourquin and from County Attorney Thomas J. Walker take issue with each other on the intent of the law. Mr. Walker holds that the law is to be interpreted as meaning that racing is limited in first-class counties to thirty days in one inclosure and not to the county, while Judge Bourquin holds that the intent of the law and the legislature was to limit racing to thirty days each year in Silver Bow County.

It is probable that complaints will be sworn to tomorrow charging some of the bookmakers at the track with violating the anti-race track gambling law. An effort will be made to have a speedy hearing of the charge in the district court in order that a ruling may be had on the section of the law under discussion.

County Attorney Walker has given out the following statement for publication:

"On Wednesday, August 2, a committee of about fifteen, comprising business men of the city, and among them several members of the Driving Club, called upon me in my office in the State Savings Bank building to ascertain my attitude upon the racing question. The matter was discussed between them and me quite freely, and without any attempted evasions.

"The committee asked me what I thought of the law passed in 1909 referring to race track betting, and submitted to me a copy of what purported to be an opinion of Judge George M. Bourquin, holding that only thirty days' racing with betting could be had in counties of the first class. I told the committee that I had given the question much attention and had made a search of the authorities in the different states and had been unable to find any decision rendered in the United States upon a similar state of facts. I further advised that I had read over the law of 1909 most carefully, and it being a penal statute its construction must necessarily be according to the strictest letter and that no intendments of the legislative body could be read into the act or nothing implied from the language of the act which was not expressly stated therein, and that from my careful reading of the same, together with the search I have made for decisions in point, I have come to the conclusion that the Butte Jockey Club would not be violating the law by running races for the thirty days as advertised.

"I further said, however, that I realized the importance of the question involved, and did not wish to be understood to be taking any arbitrary stand, and would be most willing to test the matter in the courts. With that purpose in view I suggested that if reliable and responsible members of their committee would come to my office when in their opinion there had been a violation of the law, that I would prepare a complaint, have them sign it, and have a warrant issued from any justice court they might decide upon, and bring the matter to an issue as any other violation of law. I went further than this in my efforts to be fair in the matter, and stated to one of their committee that in view of the fact that they had retained counsel, I would be willing to make an exception in this case and permit whatever counsel they had retained to appear and assist me in the prosecution. That is the substance of the interview, and expresses my attitude in the whole matter.

"Generally speaking the law is clear and can be interpreted by layman as well as lawyer, and for the information of the general public I recite section 2, which covers the portion relating to violations of the law, which is as follows:

" 'Whenever, during thirty days, whether consecutive or not, in any calendar year, in any county of the first class, and whenever during fourteen days, whether consecutive or not, in any calendar year, in any county not a county of the first class, there have been bets or wagers made, or reported or recorded or registered upon the result of any contest of speed or skill or endurance of animal or beast upon any enclosed race track or fair grounds, it shall thereafter be unlawful during such calendar year to make, or report, or record, or register any wager or bet upon the result of any contest of speed or skill or endurance of animal or beast held within such inclosure."

"A careful reading of the portions of the section quoted will, I am satisfied, convince the reader that my position is at least honestly taken, if not correct, and as far as my office is concerned I expect to take the matter up as every other case of a similar nature is taken up, and I see no reason why any more importance should attach to it than the violation, if there be a violation, of any other penal statute, and if it is decided finally that there has been a violation of the law I will forthwith stop any further violation thereof."

Butte, Mont., August 8.—Perfect racing conditions prevailed here today and the attendance was of large proportions. Outsiders were again successful, capturing all of the races except the feature, which was won by Fern L., a local favorite that led from start to finish.

Jockey Herman Rettig, who was suspended at the Juarez meeting last winter, was today ruled off the turf, together with valet T. McBride. He is alleged to have offered money and shares in bets to jockeys riding here. This ruling is in line with that against owner R. Little, who was recently suspended, and further developments are expected to implicate a plunger whose betting operations have been the sensation of the meeting here and at Lagoon.

COUP BROUGHT OFF ON SANDY HILL.

Toronto, Ont., August 8.—Jockey Bergen, who had the mount on Shot in the fourth race at Dufferin Park today, was severely injured by being thrown. His mount stumbled on the backstretch and he fell heavily. A hasty medical examination disclosed that his shoulder blade was injured.

The card was featureless and brought together a poor bunch of selling platers.

The stable of Frank Burrows, which includes Bill Lamb, Cat and Goldfern, will be sold at auction tomorrow afternoon.

Hicks & Keefe purchased Donaldo from D. O'Connor and the latter bought Battson from the former.

Sandy Hill was the medium of the heaviest backing of the meeting. The horse opened at 5 to 1 and was practically backed off the boards. Jockey Davenport took him to the front at the start and he was never in danger at any stage of the running.

GOSSIP FROM KENTUCKY SOURCES.

Churchill Downs to Have Good Array of Fall Stakes—Eugene Elrod Recovers His Health.

Louisville, Ky., August 8.—Most of the horses at Douglas Park are in regular training, though the majority are only as yet cantering and galloping slowly. There is more activity among the horses at that track at present than there is at Churchill Downs, as at the latter plant the track has been undergoing improvements, while at Douglas Park the going never was better.

The coming fall meeting at the Downs will be marked with the usual big array of stakes. From now on events of the guaranteed sort are prohibited and an association must state the amount of the money added, as the rule passed by the Kentucky State Racing Commission covering this point went into effect when the recent Latonia meeting ended. From July 15 to December 1, however, a club is compelled to give only $400 purses, a provision that will not be taken advantage of by the New Louisville Jockey Club, as Manager M. J. Winn will likely hang up an average of $3,500 per day during the coming fall meeting at Churchill Downs.

Acting Secretary Edward Jasper is expected here in a few days and, soon after his arrival, the fall program will be announced. The stakes will be as attractive as usual and conditioned so as to secure all the best horses now in training as contestants.

H. R. Brandt's smart two-year-olds, Cash on Delivery and The Reach, are looking exceptionally well at Douglas Park and attract much attention. They have filled out considerably since they came here. Mr. Brandt will race at Juarez the coming winter and is likely to make as early a start for there this year as he did last season. He thinks the climate and weather conditions at Juarez cannot be improved on for horses.

George J. Long is not so sure that some of his yearling fillies of this season will not outshine his colts. He has a likely bunch of fillies this year and more than one trainer at the Downs has been casting "wistful eyes" at them. The Louisville member of the Kentucky State Racing Commission, according to reports, has a grand bunch of sucklings this season, they being considered by good judges to be as fine a lot of foals as were ever produced at Bashford Manor Farm. Trainer Pete Coyne has as yet taken up only nine of the Long yearlings and there are eight other youngsters of this age now at the farm. These, however, he will take up shortly, as the ones he now has in charge are giving him little trouble in their first training.

Ed Alvey's Pinkola has not been taken up as yet and is still running out on a farm. The Latonia Derby winner of 1908 is now apparently in perfect condition and seems as fit as possible to go into training again. Mr. Alvey has not as yet decided in whose stable he will put the son of Pink Coat when he brings him in from the farm within the next week or ten days.

George Land will be a new recruit for Mexican racing the coming winter. He will take Royal Report and his other horses to Juarez when racing ends on the Kentucky circuit. Jockey J. Deavenport will go to Mexico with him.

Leslie Combs Bruce died recently at Greenville, Conn. He once raced a stable of thoroughbreds and in the lifetime of the late Col. M. Lewis Clark was a frequent visitor at Churchill Downs. He was associated with his father, Col. Sanders D. Bruce, in several of the latter's racing ventures, and at one time was with him in his publication business, chief of which was the American Stud Book, which was finally purchased from Colonel Bruce by the Jockey Club. Mr. Bruce was a nephew of Benj. G. Bruce, long secretary of the first Louisville Jockey Club.

Eugene Elrod, manager of the betting rings at Lexington, Louisville, Latonia and Juarez, has arrived home from a lengthy stay at Mt. Clemens, Mich., much improved in health. Mr. Elrod at once conferred with General Manager Matt J. Winn and together they journeyed to the New Louisville Jockey Club grounds to inspect the improvements being made there in the pari-mutuel department. He will be able to resume his official duties when the fall season of racing opens in Kentucky. He is among the best known of the racing officials of today, having been in constant service on the track since the early eighties. He came to the race track after a successful career in connection with the theatrical business. Mr. Elrod has aided Colonel Winn in the last few years in perfecting the details of the pari-mutuel pooling. He has always contended that wherever introduced it only took time to make the mutuels the most popular system of race track betting and the success with which they have met at Churchill Downs has fully verified his judgment. It is likely that Louisville race-goers would not now accept any other mode of betting.

Lon Jones has Azyiade and his other horses turned out at the National Stock Farm, but is preparing to take them all up within the next ten days and begin training them again.

Former jockey W. J. Buckholder, who is now at his home in this city, may return to the Argentine Republic, having had a good offer to act as an assistant trainer for one of the most successful American horsemen racing there.

Luke Brodhead, a resident of Woodford County, who is now out of racing and breeding, was a visitor to the city yesterday. Mr. Brodhead was for years manager of the famous Woodburn Farm in Woodford County, when conducted by A. J. Alexander. Such mighty horses as Kingfisher, Harry Bassett, Foxhall, Salina, Joe Daniels, Poteen, Duke of Magenta, Acrobat, Springbok, Counter Tenor, Chant, Lizzie Dwyer, Cape Race, Gray Planet, Lizzie Lucas, Katie Pease, Hubbard, Don Fulano, Franklin, Troubadour, Joe Cotton and Bob Miles were all bred when Mr. Brodhead managed the place.

H. G. Bedwell will have one of the most pretentious stables at Juarez the coming winter. Earlier in the summer he figured on coming to Churchill Downs the coming fall, but he has since changed his mind, and during the coming Louisville meeting he will be represented by only one horse, that being his starter in the four-mile Endurance Stakes, probably Nadzu.

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

O. F. B., Port Huron, Mich. If you will send your correct name your communication will be answered.

R. J. S., Toronto, Ont. Prices were as received from the track and you should be paid at the average of $1.25 to $1.

S. H., Buffalo, N. Y. Grania made no track record for a mile at Fort Erie, but did make one for a mile and seventy yards.

Wm. S., Seattle, Wash. At the Meadows track in 1907 Miss Officious won the $5,000 1909 Handicap, her net share being $3,705.

C. A. R., Pittsburg, Pa. The parlay won unless the bookmaker operates under the rule that added starters run for his book and notifies his patrons to that effect.

H. E. Gordon. By all means refuse to be governed and send your real name and address. The Fort Erie track July 6 was extremely fast. In the Butte cases the track condition was designated by our correspondent, though changes may have occurred between publication time and the beginning of the next day's racing.

Time, **24⅘, 49⅕, 1:15⅗. Track fast.**

Winner—B. f, by Woolsthorpe—Mrs. Nelson (trained by W. B. Carson).

Went to post at 5:16. At post 1 minute. Start good. Won driving; second and third the same. ANNIE NELSON came fast through the stretch and outgamed HAWLEY at the end. HAWLEY set a fast pace, but was probably in need of a race, as he tired at the end. GLENNADEANE closed a gap and finished very gamely. FLYING quit at the end after following HAWLEY closely to the stretch. JUDITH PAGE showed speed, but tired.

Overweights—Hawley, 4 pounds; Kinfolks, 3; Miss Greenwood, 4.

MUSKOGEE WINNERS WELL BACKED.

Muskogee, Okla., August 8.—The large crowd that turned out was well rewarded, as five of the winners were well backed.

M. J. O'Donnell, owner of Tallow Dip, ran Lady Maxim up $100 over her entered price and her owner let her go at that figure. Mr. O'Donnell did not make his bid good and she was returned to her owner after being offered at auction a second time. Speculation was heavy and an improvement is looked for each day in the attendance. Flying Pearl, the odds-on choice in the feature race, propped after the barrier was released.

FAVORITES TAKE LEXINGTON RACES.

Lexington, Ky., August 8.—More than 5,000 persons attended the Blue Grass Fair at the grounds of the Kentucky Trotting Horse Breeders' Association this afternoon despite rain that fell for an hour. The greatest interest centered in the two running races on the speed program. The favorites, Alice Baird and Ruth Jackson, both ridden by jockey A. Thomas, won, the races being keenly contested and the finishes close and exciting. The betting was under the pari-mutuel system.

NEGOTIATING FOR WOODLANDS FARM.

St. Louis, Mo., August 8.—It was reported on good authority in real estate circles Monday that W. K. Kavanaugh, president of the Lakes to the Gulf Deep Waterways Association, had purchased Woodlands, Barney Schreiber's stock farm, between Bridgeton and Florissant, St. Louis County.

W. F. Carter, vice-president of the Mercantile Trust Company, admitted that negotiations were progressing well. The valuation placed on the Schreiber farm is said to have been $175,000. There are 540 acres in the tract. Negotiations have been based on the prospect of transfering Kennett Castle, Mr. Kavanaugh's country place on the Mississippi river, near Salem, Mo., to Mr. Schreiber at a valuation of $125,000. Mr. Carter said the deal had not been closed as yet.

Mr. Kavanaugh admitted that he had been looking over the Schreiber property, but said no deal had been closed. The negotiations do not extend to the 300 race horses that are at Woodlands.

NOTES OF THE TURF.

Robert Leighton, who has been in executive charge of the racing at the three British Columbia tracks, will preside over the one-week meeting which is scheduled to be given at Seattle beginning August 15. He made a flying trip the past week to Spokane and expressed himself as greatly pleased with the new track of the Coeur d'Alene Fair and Racing Association, where he is to serve as presiding judge.

Trainer's Information! Attention: Bettors!
Having decided not to race until this fall I shall now be able to devote my entire time to furnishing my many friends with the best of inside information. Being on intimate terms with most of the owners and trainers enables me to furnish winners where all others fail. I require no money in advance. All I ask is the winnings of a $5 flat bet. Write now for I have word on two that will start some time this week.
